

SELECTION TEMPLATE GLOBALnorm STATISTIC

Agreement to export anonymous data from the standards management system GLOBALnorm for statistical purposes

Dear Sir or Madam,

This written agreement allows Globalnorm GmbH to collect anonymous data from the standards management system GLOBALnorm for export, evaluation and provision to your company.

Please select which information should be used for statistical purposes, related to all the users of your company and including accounts of supervisor for ordering.

Note on privacy:

There is no listing of personal data, even in pseudonymized form (User 1, User 2, etc.). By default, groups of people with less than 10 users are marked as "unavailable" since these may be traceable. You can adjust this setting upon request.
